Grants

### I. POLICY STATEMENT

It is the policy of the State Board of Civil Legal Aid to make grants consistent with the Legislative and Minnesota Supreme Court guidelines for the funding received. The Board shall establish uniform guidelines for processing grants administered by the agency. The guidelines shall also provide reasonable flexibility to pursue grants if the Board determines that being a grant recipient would support the Board's work to maintain high quality civil legal services in every Minnesota county. Grants may be made to the Board by the federal government, Minnesota state agencies, other government entities, or nonprofit organizations such as foundations. This policy applies to all employees and Board members.

### II. IMPLEMENTATION AUTHORITY

Implementation of this policy shall be the responsibility of the Program Administrator.

### III. EXECUTIVE LIMITATIONS

In carrying out this implementation authority, the Program Administrator shall consult with the Board.
